Internships

THE PROCESS

- 1 COMPLETE APPLICATION FORM**
Send application form and CV to internships@eazycity.com. Our team will review the application and if accepted you can pass to the next step.
- 2 PAYMENT OF 1ST INSTALLMENT VIA INVOICE**
It is required at this stage. To start our research, we require you to pay 50% of the total fee, that will be given back in case we do not find a suitable internship for your candidate.
- 3 INTERVIEW**
Once we receive the 1st payment one of our agents will personally take care of your application, organizing a first call.
- 4 MATCHING PROCESS**
Our dedicated team will start the matching process to find the best internship and ideal host company for your candidate. Once we have an internship fitting your candidate's requirements we will set up an interview with your client if required by the company.
- 5 PAYMENT AND DOCUMENTATION**
When your candidate will be matched with a company you will be provided general information about the type of company and job description. To proceed with the confirmation or interview you will be asked to pay the balance of the fee. Once the program fees have been paid, we will take care of the paperwork required and we will confirm the placement.
